

REMARKS

Claims 1, 4-9 and 11-33 are pending. Reconsideration of the application is requested in view of the amendments and remarks.

The above-claim amendments correct certain informalities in the claims; specifically, the antecedent basis of the term “pixel electrode” is corrected in Claims 7, 11 and 32, and the dependency of Claims 28-33 is corrected to depend from Claim 27, which removes possible instances of duplication.

Early and favorable action is respectfully urged.

Respectfully submitted,

Dated: May 21, 2009
